Officials Camping Application

Please Note:

- Officials are provided with complimentary camping at the Event in the designated Officials Campground and there are sufficient sites for each official to be provided with a site.
- Please note your vehicles must fit completely within your allocated site otherwise must be parked in the officials car park located inside the circuit. There is no parking in the immediate vicinity of the campground. There have been instances of officials booking two sites under different names in order to park their car on an adjacent site – please refrain from attempting this as it will likely result in some officials being unable to secure a site.
- Each site can accommodate approximately 4 to 6 people depending on vehicle size and camping equipment used.
- There is no guarantee of power however if available, you are welcome to access any within close proximity to your site.
- You can request a specific camp site, with sites to be allocated on a first come; first served basis.
- You MUST include a contact name and number on your vehicle pass
