In Car Cameras

In Car Cameras are available for the Event at only \$2,000 + GST. This allows for a minimum of 2mins coverage of your car (onboard & outside vision) subject to your vehicle completing a minimum of 50 laps) on the 3 Hour post produced TV show being telecast on Speed on Saturday 24th March at 7pm. For those who purchase onboard cameras for the 12 Hour the Production company (Black Magic) are also providing an option where competitors can purchase their cameras. Contact the Administrator for more information.

This cost includes:

1080/720p switchable camera and recorder

SD Card recording capability

Colour screen

Replay

12v / 240 v power / chargers

2 x 8gb cards

2 x batteries

Roll cage and suction mounts

Paul Mullan from Black Magic says "This unit is simply the best value HD camera on the market and we have previously not sold cameras because they are (i) difficult to use (ii) unreliable and (iii) expensive. This HD Radcam system breaks with tradition and could be considered the Godzilla of cameras"
