## Black Falcon team takes on Audi's

ONE OF THE TOUGHEST tribal battles in global motorsport will spill into Australia next year when a pair of Mercedes Benz SLS GT3s from German team Black Falcon tackle the might of Audi at the 2012 Armor All Bathurst 12 Hour.

The pair of stunning 6.2-litre Mercedes Benz SLS GT3s are joined by Malaysian-based team Clearwater Racing and their Ferrari F458 GT3 on an early provisional entry list released by Event organisers; three Audi's, two Lamborghini's, an additional Ferrari and a Mosler also set to join them in a fiercely competitive outright class.

Porsche's, Lotus's and a Corvette make up the cars confirmed in the further GT classes, with an additional 12 cars having nominated early in the Production Car and invitational grids.

Mercedes versus Audi battles are the German Touring Car (DTM) equivalent of the Holden versus Ford rivalry in Australia and whilst the Black Falcon duo are private entries, they look to have the credentials to tackle the two works-supported Phoenix Racing Audi's already confirmed for the race.

## Designer Events

Accommodation for Bathurst 12 Hour Race  
24 – 26 February 2012

The Bathurst 12 Hour Race is an annual event hosted at Mt Panorama, a thrilling weekend of car racing around one of Australia's iconic racing tracks.

Designer Events has a database of accommodation available during the Bathurst 12 Hour Race. We have been co-ordinating accommodation since 2003, aiming to secure the best houses the region has to offer at affordable prices.

We provide accommodation for racing teams, sponsors, corporate guests, small or large groups and families. The variety of our database is large, but we are always on the lookout for new houses to add to our collection. We personally inspect all houses to determine their suitability and ensure they meet our high standards. Our collection ranges from standard 3 bedroom homes to 7 bedroom deluxe residences.

We have provided accommodation for the Supercheap Auto Bathurst 1000, the late Peter Brock, his family and team, Bev Brock and the Brock Foundation, Stone Brothers racing team and their sponsors, to name a few of our satisfied clients.

We can also organise corporate dinners or any function that you would like to host while visiting. Through our event management experience and extensive contacts list, we can provide venues, caterers, decorations, car hire, entertainment or anything else that will make your function special!

We invite you to contact us on +61 407 489 634 or [designer@events.designer-events.com.au](mailto:designer@events.designer-events.com.au) to further discuss your accommodation requirements and find something to suit your budget.

THE DRAMATIC closing stages of the 2012 Armor All Bathurst 12 Hour will be broadcast live on SPEED Australia.

Australia's only 24/7 Motorsport Network will carry the final 90 minutes of the race live and exclusive immediately following the completion of their coverage of the Australian World Superbike round at Phillip Island, held on the same day.

The broadcast is expected to commence at approximately 4:45pm on Sunday, February 26th and will proceed through live until the chequered flag when the winners are decided.

It will mark the first time since the reintroduction of the Armor All Bathurst 12 Hour race in 2007 that any parts of the race will have been broadcast live on television.

It will also be a first for SPEED with the race to become their first dedicated and exclusive live production of an Australian Event.

SPEED will also show a 3-hour post-produced highlights package following the Event, to air in primetime (7PM) on Saturday, March 24th. Both the live and post-produced shows will be produced by the experienced Black Magic Media Productions with on-air talent and further details to be announced in due course

For all 12Hour Event enquiries please contact the Administrator, Angela McGill: [administrator@bathurst12hour.com.au](mailto:administrator@bathurst12hour.com.au) or by phone: +61 02 4872 2622

## IN CAR CAMERAS

In Car Cameras are available for the Event at only \$2,000 + GST. This allows for a minimum of 2mins coverage of your car (onboard & outside vision) subject to your vehicle completing a minimum of 50 laps) on the 3 Hour post produced TV show being telecast on Speed on Saturday 24th March at 7pm. For those who purchase onboard cameras for the 12 Hour the Production company (Black Magic) are also providing an option where competitors can purchase their cameras. Contact the Administrator for more information.

This cost includes:

- 1080/720p switchable camera and recorder
- SD Card recording capability
- Colour screen
- Replay
- 12v / 240 v power / chargers
- 2 x 8gb cards
- 2 x batteries
- Roll cage and suction mounts

Paul Mullan from Black Magic Says "This unit is simply the best value HD camera on the market and we have previously not sold cameras because they are (i) difficult to use (ii) unreliable and (iii) expensive. This HD Radcam system breaks with tradition and could be considered the Godzilla of cameras"

For all 12Hour Event enquiries please contact the Administrator, Angela McGill: [administrator@bathurst12hour.com.au](mailto:administrator@bathurst12hour.com.au) or by phone: +61 02 4872 2622
